

ENROLLMENT PROCEDURES FOLLOWING ELIGIBILITY

To proceed with enrollment after being deemed eligible, candidates must follow the procedures outlined below.

- Connect to the website: <http://sol.liuc.it>;
- Access the “Reserved Area” (located in the left-hand box of the screen), select “Login” and enter your Username and Password;
- In the menu on the left, select “Enrollment” and proceed with the guided compilation, confirming the information already provided during the admission phase to complete the process.

The screenshot shows the LIUC Business University logo and the text "Segreteria Online". Below this is a horizontal line. Under the line, the word "Immatricolazione" is displayed. A small note states: "In questa pagina sono presentati i dati inseriti durante la procedura di immatricolazione. Se tutti i dati sono corretti, si può procedere alla visualizzazione e stampa del documento di immatricolazione." Below this is a table titled "Dati Immatricolazione".

Dati Immatricolazione	
Anno Accademico	2026
Tipo di Corso di Studio	Master Universitario di Primo Livello

Below the table, there is a message: "Non sono presenti allegati alla matricola". Under this message are four buttons: "Conferma Pre-immatricolazione o Nuova Immatricolazione", "Gestione allegati camera", "Stampa Domanda di Immatricolazione", and "Controllo pagamenti". A yellow arrow points to the "Stampa Domanda di Immatricolazione" button.

If the “Download Enrollment Application” button does not appear, cancel the process and repeat the operation.

The availability of the place will be guaranteed for fifteen days from the date of notification of eligibility. After this period, if enrollment is not completed with the payment of the first installment, it will still be possible to enroll (until 19 February 2027), provided that the maximum number of participants specified in the Call for Applications has not been reached.

The application must be submitted to the Master's Office using one of the following methods:

- Online upload: print the application form, sign it, scan it, and upload it to the portal (<https://sol.liuc.it>) in the "Career Attachments" section, together with the receipt of payment of the first installment;
